Answers:

If you have answered "yes" in any of these situations:

In the first case, you have just killed John Wesley, one of the great evangelists of the 19th century.

In the second case, you have killed Beethoven.

In the third case, you have killed Ethel Waters, the great black gospel singer.

If you said yes to the fourth case, you have just declared the murder of Jesus Christ!

Something to think about and pass along!
